A Bit About **ME**

SELF PORTRAIT

Favorite Color:
Favorite Subject:
Favorite Team:
Favorite Movie:
Favorite Breakfast:

This year, I got better at:

My Feelings about
5th Grade:

5 WORDS
that describe me:

My **HOBBIES**

our classroom

I spent a lot of time in the classroom. Here's a map!

KEY:

- ☆ = where my desk is
- ♥ = a favorite spot

A Day in the Life of a 5th grader

Before school starts...

At the beginning of the school day...

During the morning...

In the middle of the day...

During the afternoon...

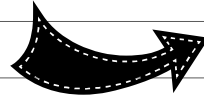

After school is over...

At the end of the school day...

TEACHER Feature

Here's what I like about my teacher:

My Teacher

Name:

What I'll remember most:

What my teacher likes:

What my teacher does NOT like:

These are ALL the other teachers I had this year:

What a class!

As a class, we are great at...

But our biggest strength is...

Three words that describe our class perfectly are...

By the Numbers

Number of Students: _____

Girls: _____ Boys: _____

How many have my hair color: _____

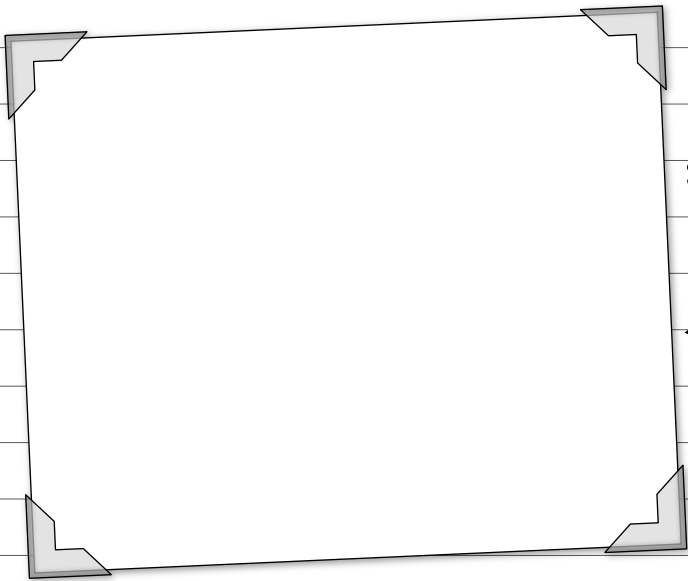

How many have a younger sibling: _____

How many have an older sibling: _____

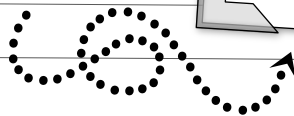

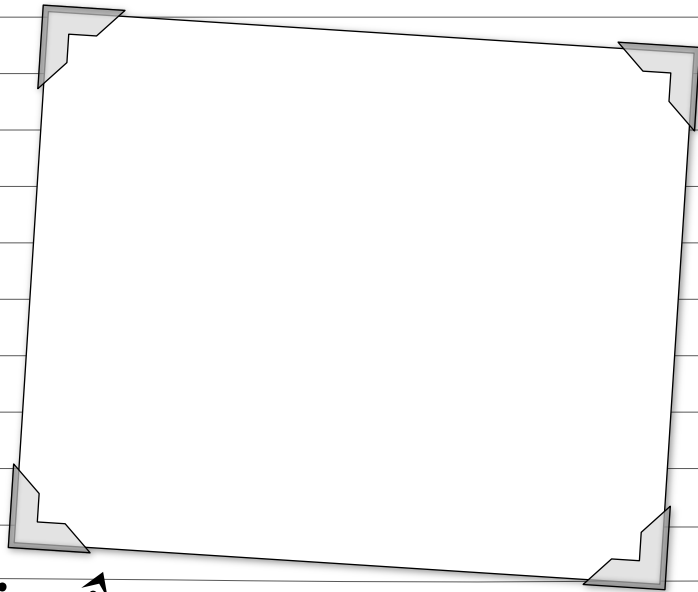

MOMENTS to Remember

Fifth grade was filled with memories.
Here are some I won't soon forget...

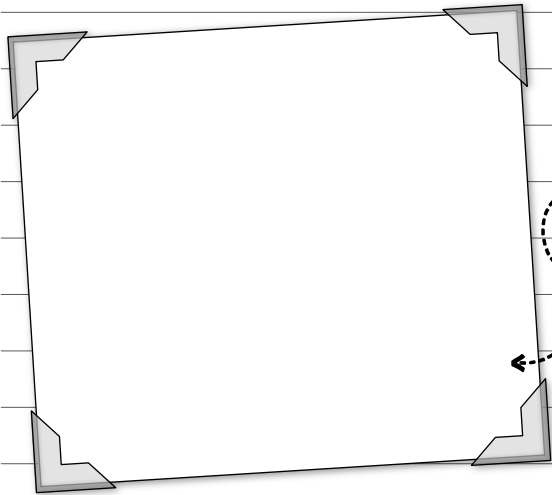

One of my favorite memories of
fifth grade is...

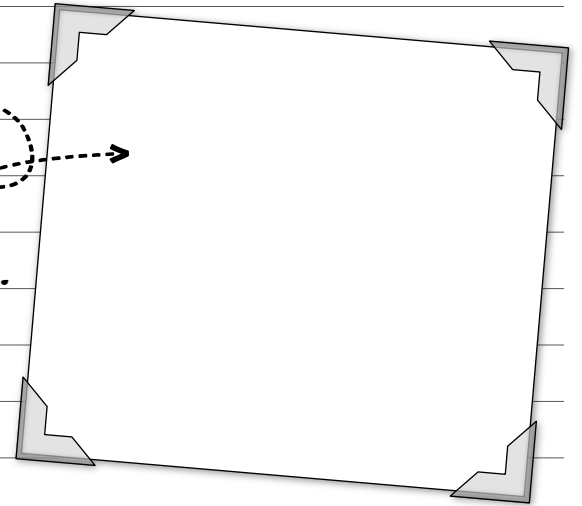

And I will ALWAYS remember
when...

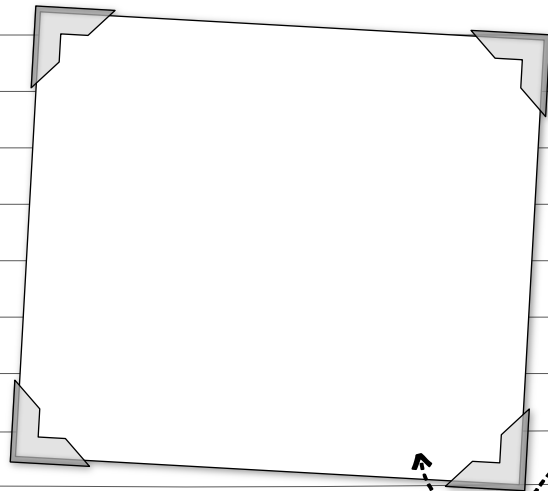

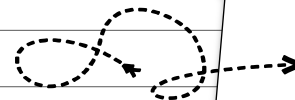

more MOMENTS to Remember

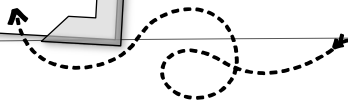

One of the funniest moments
of the year...

One of my proudest
moments of the year...

And I couldn't believe it when my class...

Let's LOOK at Some BOOKS

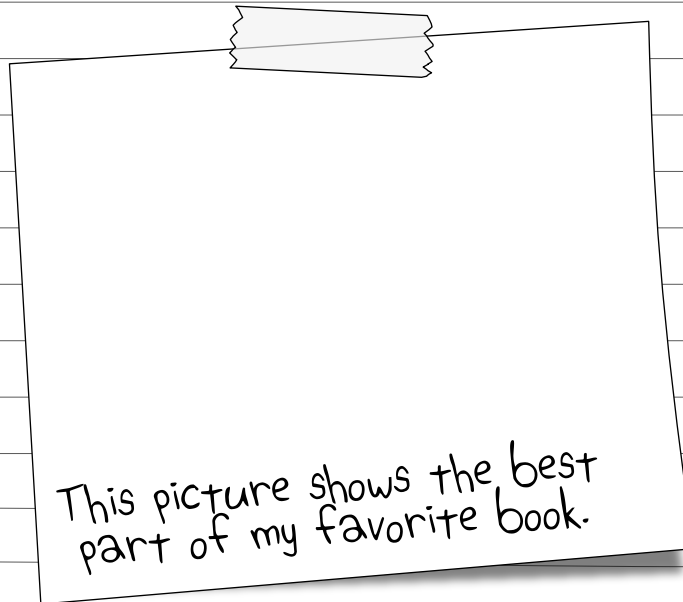

These are some
of the best books
I read this year:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

My favorite genres to
read this year were:

But this one is my
absolute favorite.
Here's Why:

My favorite
spot in the
whole school
to read is:

Talkin' 'bout SPECIALS

is my favorite special because

List of our Specials *in order of how much I enjoy them

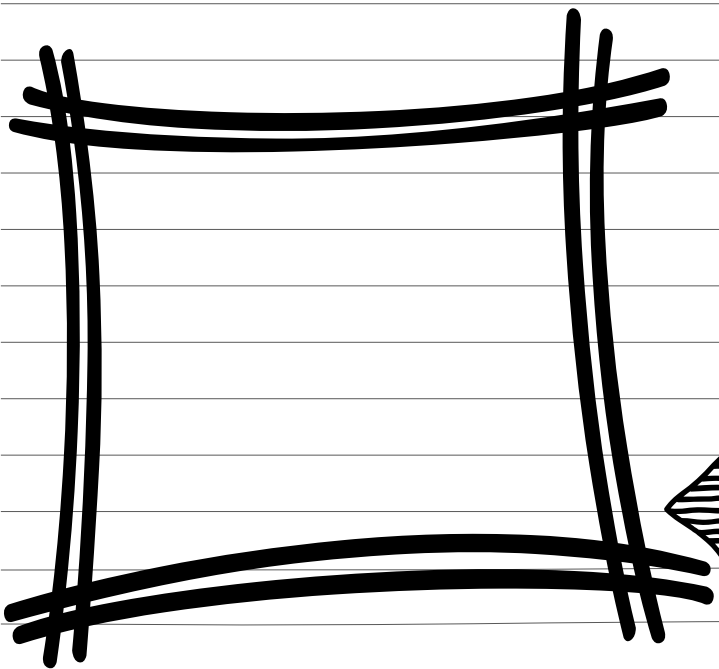

.....

.....

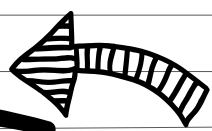

.....

.....

.....

- An activity I was pretty good at:
- An activity I got better at:
- An activity that was new to me:
- An activity I did NOT enjoy:

These are all the cool things we did in specials this year. (Everything I could remember, at least.)

Lots of

LEARNING

$$e=mc^2$$

Awesome things we did
in science this year:

-
-
-
-

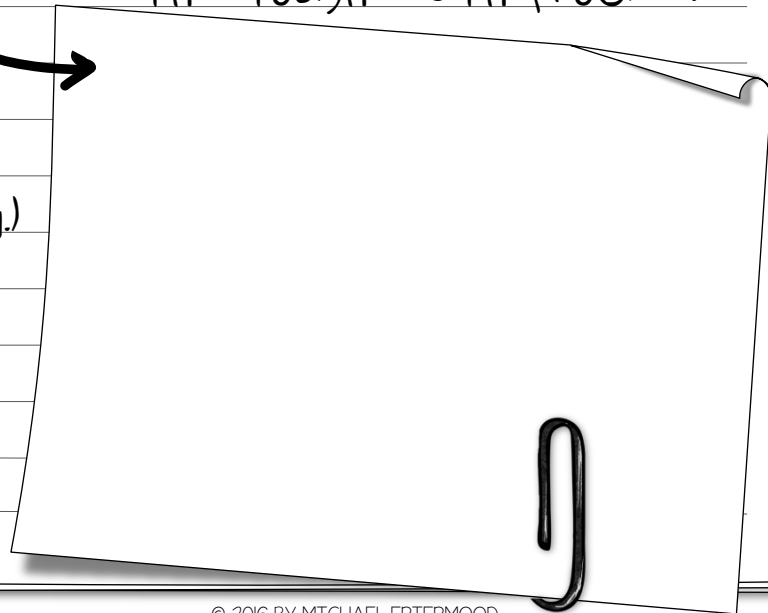

Things we learned
about in Social Studies:

-
-
-
-

Cool Words I can spell:

Check out my skills solving
this tough math problem:

My writing is **WAY** better now too.
(Here's a little sample from part of an exciting story.)
It was a dark and stormy night.

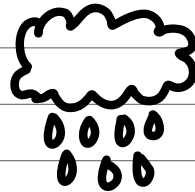

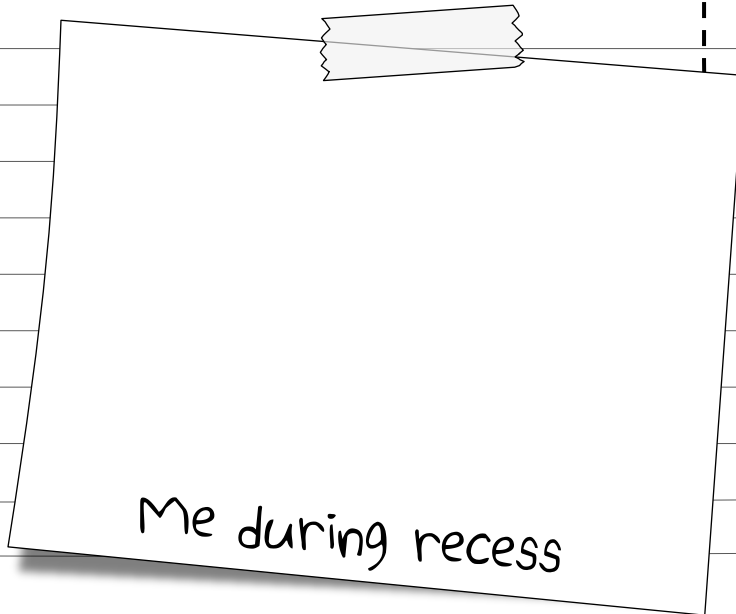

RECESS TIME!

The BEST thing about
recess is...

If you look for me
during recess, you
would usually find
me...

Sometimes
I like to...

If we have indoor
recess...

LUNCH

Let's EAT!

yum yum yum yum yum yum yum yum yum yum yum yum yum

Foods I eat for Lunch at School:

Our class eats lunch at _____, and the basic procedure is...

My feelings about the cafeteria food:

What I usually do for lunch is...

I would describe lunch time like this:

Who I usually sit with is...

SPECIAL EVENTS...

↪ only fifth graders get to do!

There are some experiences in fifth grade that nobody else in the school gets to do. Here's a list of a few...

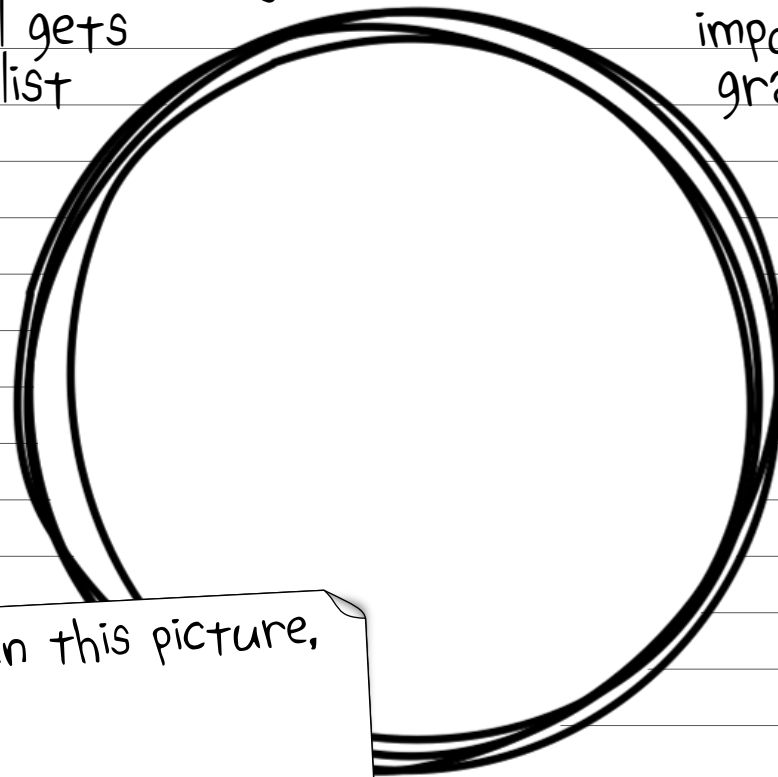

-

-

-

-

For me, the most important fifth grade event was...

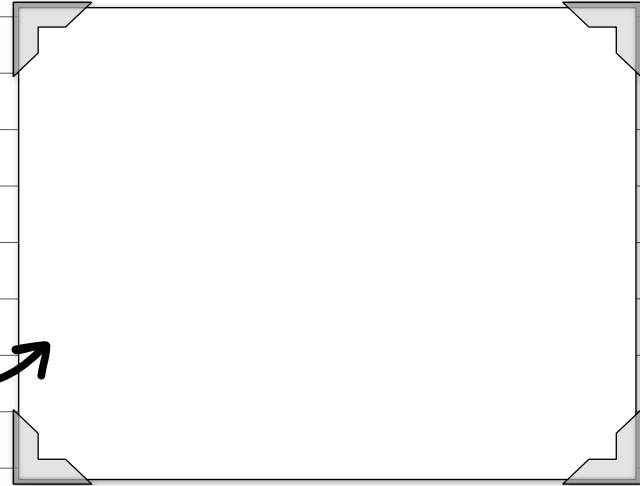

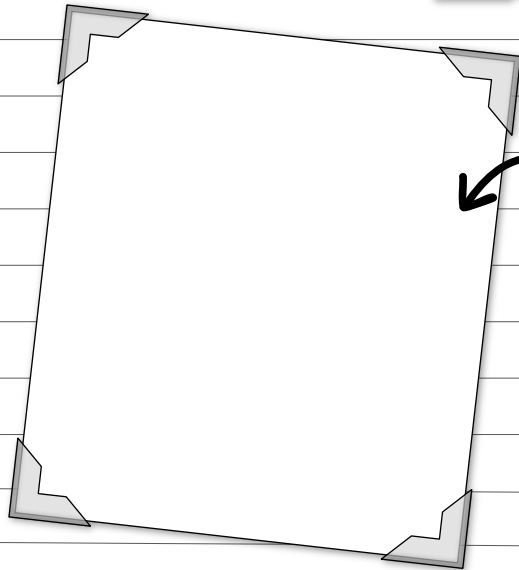

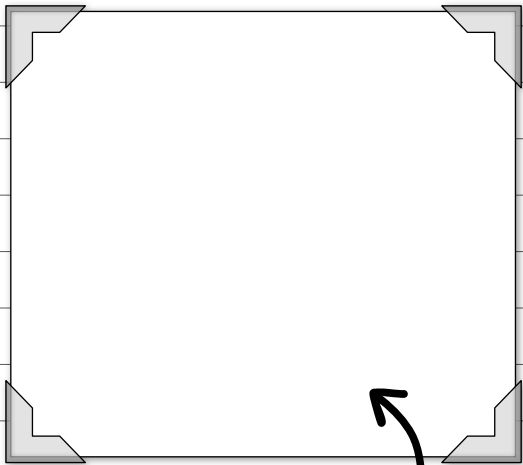

Here's a recap:

In this picture,

Fifth Grade friends

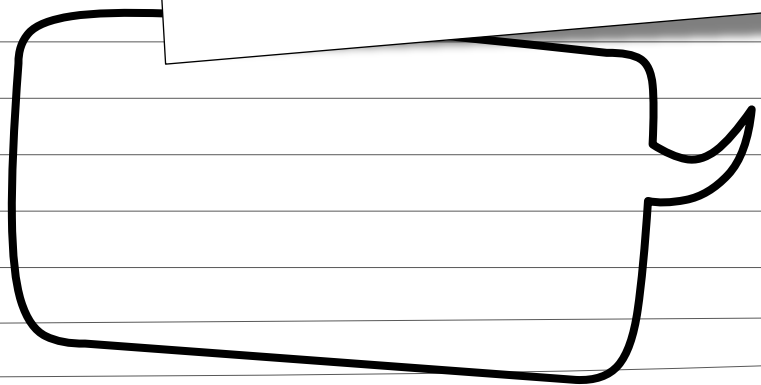

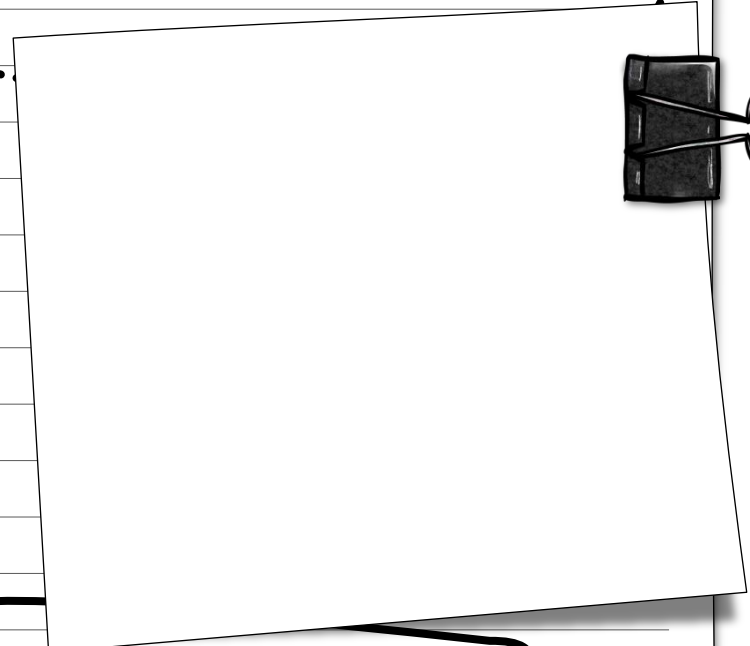

A peek at some of my friendships...

Fifth grade
had a lot of
good days, but
the very best was...

BEST DAY EVER!

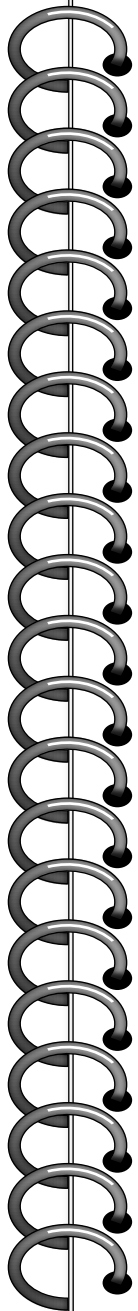

Here are all the details of
that awesome day:

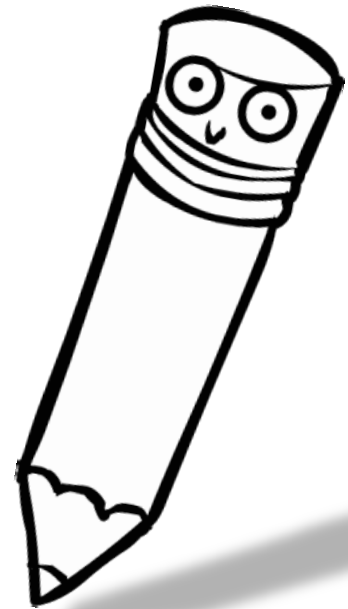

A Keepsake forever

If I could choose one thing to put in a jar, to remind me forever of my year in fifth grade, I would choose...
