**Chaperone Information:**

We will be able to take a limited number of parents to Deep Portage as Chaperones. Some of you may have already expressed interest to your classroom teacher, but things may have changed or we need additional information. Your trip is completely paid for as a thank you! As a side note, male chaperones will be bunked with male students and same for female chaperones. Which means if you are a dad of a female student, you will be sleeping on the lower level but you will be with your daughter all-day.

I am interested in being a chaperone for Deep Portage:
